

OPEN HOUSE

FEB. 2, 2023

THE STUDY TEAM IS LOOKING FOR YOUR HELP TO IDENTIFY:

1. Transportation issues and needs along the Colorado Boulevard corridor to be addressed by this study
2. Goals and prioritizes to help develop the long-range vision for the corridor

STUDY GOALS

The City of Spearfish and South Dakota Department of Transportation (SDDOT) are conducting a study of Colorado Boulevard to determine current and future transportation needs as the area continues to experience significant growth and development.

COMMENTS

We want to hear from you!

Please provide your comments by **March 2, 2023.**

We appreciate your input!

Analyze traffic safety conditions

Develop prioritized list of needs and solutions

Analyze current and future land use plans for properties along the corridor

Engage with the public and stakeholders

Analyze intersection operations

Conduct preliminary environmental screening

Forecast future traffic conditions

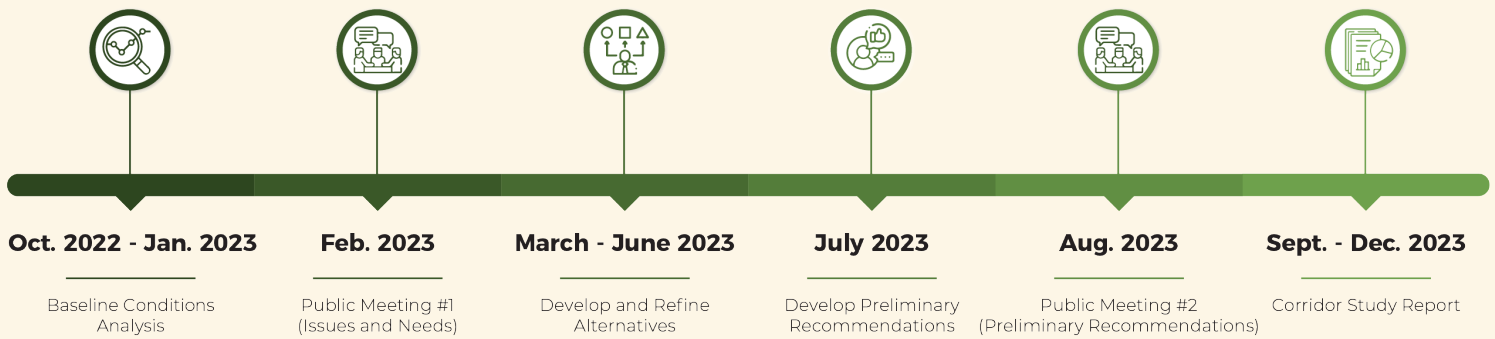

Provide recommended schedule of improvement projects
